Government Order No. L. 4244-65—L. 2. Correspondence ending with letter No. C. S. Estt. 37, dated 15—25th May 1946, from the Director of Public Health, submitting proposals for the revision of the scales of pay of Sanitary and Assistant Sanitary Inspectors.

ORDER NO. M. 8678-703—P. H. 118-45-6, DATED BANGALORE, THE 3RD FEBRUARY 1947.

The question of improving the scales of pay of Sanitary and Assistant Sanitary Inspectors was engaging the attention of Government for some time past. The Director of Public Health submitted proposals in 1944 for the revision of the scales of their pay; but his proposal was not taken up for consideration on the ground that there was then under consideration the general question of the standardising the scales of pay of establishment in the several departments. The Director again reported that, in view of the nature of the work to be turned out by this class of people and the condition prevailing elsewhere, in respect of their pay and prospects, it was necessary to consider the question of improving the pay and prospects of the Sanitary Inspectors just to keep up efficiency in service by paying them well enough commensurate with their general and technical qualifications and the arduous nature of work, and submitted proposals for the revision of the scales of pay of Sanitary and Assistant Sanitary Inspectors as noted below together with the proposition statement with the suggestion that out of the total number of 470 Sanitary Inspectors, the number in the senior grade, *viz.*, Rs. 60—4—100 be fixed at 200 and the rest in the junior grade, *viz.*, Rs. 35—2—55. The extra cost involved in the proposal came to Rs. 7,663 43/45 per mensem or Rs. 91,967 7/15 per annum as verified by the Comptroller.

(a) Senior Sanitary Inspectors	...	Rs. 60—4—100
(b) Junior Sanitary Inspectors	...	Rs. 35—2—55

2. Government are pleased to sanction the proposal of the Director of Public Health for revising the scales of pay of Senior and Junior Sanitary Inspectors as proposed by him and to fix the number in the senior grade at half of that in the junior grade according to which the number in the senior grade will be 156 and that in the junior grade 314. The extra average cost will amount to about Rs. 72,554 2/15 per annum.

T. 29-45-1, dated 1st October 1945, constituting a separate Department of Income-tax, under the control and supervision of a full time Commissioner of Income-tax and stating that separate orders would issue regarding the powers, duties and jurisdiction of the several officers and also about the ministerial and menial establishments required for the department.

2. Correspondence ending with letter No. C. 45-46-47, dated the 12th November 1946, from the Commissioner of Income-tax in Mysore, Bangalore, forwarding proposals regarding the reorganisation of the Department of Income-tax.

ORDER NO. FL. 5991-5993—I. T. 29-45-3, DATED BANGALORE, THE 7TH FEBRUARY 1947.

In October 1945, the Department of Income-tax which was till then under the control of the Excise Commissioner in Mysore, Bangalore, was constituted into a separate independent department under the control and supervision of a full-time officer of the designation of the Commissioner of Income-tax. It was ordered that he should have the following staff of officers to man the department :—

(1) Two Deputy Commissioners of Income-tax in grade Rs. 600—50/2—800.

(3) Twelve Inspectors in grade Rs. 100—10—150.

2. The whole-time Commissioner of Income-tax, who took charge in August 1946, has examined the question of how best to give effect to the re-organisation and he is of the opinion that for the present it is not possible to completely divest the Revenue Department of its association with the work relating to income-tax and that it is desirable to continue the existing arrangements with the Revenue Department, regarding the work of assessment and collection of tax during the period of transition. He has accordingly submitted proposls for augmenting the staff of the department with a view to give effect to the scheme of separation keeping this point in view.

3. After a consideration of all the aspects of the case, Government approve of the suggestion of the Commissioner and are pleased to sanction the additional staff of officers and the establishment as now noted below :—

Under "Receipts" the actual collection amounted to Rs. 1,03,33,031. The accumulated balance at the end of the year was Rs. 9,02,361. The increase in arrears is due to non-recovery of arrears outstanding in the previous year and also to arrears outstanding from other Government Departments, Municipalities, Village Panchayets and Krishnarajendra Mills during the year under review. Suitable steps should be taken by the department for the early recovery of the outstandings.

2. *Working Expenses.*—The Working Expenses including the contribution to Depreciation Fund and Provident Fund under "Power" and "Telephones" amounted to Rs. 39,30,475 and Rs. 59,685 respectively, as against Rs. 38,13,349 and Rs. 39,281 in the previous year.
